

RXW-DCS1025

SIP Network Audio System Manager Microphone With Video And Intercom

Main Feature

Display and Audio Features

- 20 SIP lines
- HD audio
- Two 3.5-inch Touch Screens with 106 DSS Keysc.
- Goose-neck microphone
- Main screen: 4.3-inch
- DSS display: 3.5 inch
- Keyboard: 77 Keys

Gigabit Ethernet

Adaptive 10/100/1000Mbps network port provides high-speed network transmission.

- Support PoE power supply.
- With built-in bluetooth, can connect to Bluetooth headset
- Support external Wi-Fi dongle and EHS headset;

Easier Operation Experience

It adopts the design of touch screen and buttons, allowing users to enjoy a smoother operation experience.

Supports H.264 video decoding, can bind cameras, video access control, accept video calls. View the video of the access control terminal through the main screen of the paging station, and realize remote door opening and interconnection.

SPECIFICATION

MAIN SCREEN	4.3-inch (480x272) color screen X1
DSS DISPLAY	3.5-inch (320x480) color screen X2
KEYBOARD	77 keys in total
FREQUENCY RESPONSE	20Hz 20KHz
SNR	≥60 dB. 1kHz at 1 Pa
DC INPUT	5V/2A
POWER CONSUMPTION	PoE: 2.6 9W power adapter: 2.4 8W
WORKING TEMPERATURE	0°C to +40°C
RELATIVE HUMIDITY	10~95%
COLOR	Dark gray
DIMENSION	Angle 1: 309 x 214× 187mm
PACKING SIZE	323 × 301 ×71mm
CERTIFICATIONS	CE ,FCC,ROHS
